

Meet Your Canadian Admins, otherwise known as @HeartiesEh

Donna Celeste

Pamela Blayne

Describe your Family.	In our family we do nothing conventionally!! My husband and I met online. We got married four months after meeting in person, 12.5 years ago. We started our family 7.5 years into our marriage with a 5 year old son and a few years later we added a 3.5 year old son. We are currently in the process of waiting to be matched with a younger than 2 year old daughter or two.... We are a Christian family. We home school, love to camp and travel, and spending time with friends.	My husband and I have been friends for 20 years and married for 13. We have three individually fantastic children aged 11-5 that we thank God for. We are homeschooler's and we hold many traditional family values in high regard. We believe in faith, fairness and our family sayings are 'Good Attitude, Good Effort' along with 'The more you do the better you will get' and 'Treat others the way you want to be treated'
Your last meal is at Abigail's Cafe. What would you order?	I would order a big piece of pie, a hot coffee and then ask her some hard life questions that I know she could answer!	At her Cafe, I would bet Abigail's Chicken Pot Pie would be fantastic so that is what I would order.
What do you do when not on Facebook?	*I work part time as an Administrative Assistant from home *I home school my children *I work on Hearties * I scrapbook * I've spent the last 3 years, investigating my childhood belief system against scripture; with the knowledge that the bible was written by Hebrews, in a Hebrew culture and that there was NO New Testament when Jesus walked this earth and taught his disciples to go and tell others how to live.	I have spent time in Spain, Hong Kong, and Thailand and I hope to pass on the love of cultural experience to my kids. On a professional level I'm a Hairstylist, Artist and Max International associate.
An interesting fact the Hearties would not know about you?	I'm not Canadian! I was born and raised in Kansas City, Kansas. Even as a little girl, I was obsessed with Canada and once ran a phone bill up to \$500 calling friends here. It was "meant to be" I guess, since I met my husband and he was Canadian!! I've been here for 12 years and in my heart, I AM CANADIAN!	Most would not know that I have a mixed heritage of Scottish, English and Jamaican but many people think I'm Italian. I have a cousin from Vancouver who became a regular on the newest 90210 TV series.
Why do you love WCTH?	I love WCTH because the early 1900's time setting, it was a time when community and friendship was most important and adventure happened everyday right in your back yard. I love that its family friendly. The humour, romance, and banter of the characters. I love to support Young and Canadian Actors! It's a true Message of Hope!	I have an affinity for history, cultural roots and close family-like friendships. WCTH encourages honor, community, courage, hope, forgiveness, and faith.
